Ok boys and girls heres the next cool challenge.

Nightmare Creatures - Take Disney Characters and make them over to be the Evil side. Similar to McFarlane's Nightmare Creations where he took Little Red Riding hood and made her all sexy, etc

That's right, make Mickey into a Rambo type murderer, or maybe Minnie needs a sexy makeover. Course you can do any character from Disney cartoons. Nemo, the barracuda? Or Cinderella the Vampire Hunter. Whatever you decide, make it friggin' awesome.

Due date is **January 3rd, 2006 at NOON**

Good luck!
