Um lets see, I got.....

Thief in Deadly Shadows, a really nice ring, Fantastic Four dvd, Star Wars Trivial Pursuit dvd, a gift card, Xmen's Angel Marvel toy with a comic book inside it, ummmmmmmm a couple of flannel shirts, a really bad head/chest cold that kicked in on Xmas morning. And I haven't spent time with my mom and sisters yet, that's around Wednesday.

So what'd you guys get?
