I have a comment about Jimmy, the youngest sailor who snuck into the rescue party.

SPOILER

I mean, why did the first mate not want to give him a gun?

JIMMY IS THE BEST DAMN SHOT IN THE WORLD!!!!

I mean, how many of you guys, could pick up a tommy gun for the first time, and shoot dozens of bugs off of a wiggling, squirming person, **WITHOUT EVER** even GRAZING that person?

I want Jimmy with me when the zombies rise up man! **HE RULES !!**
