YEAH!!! YEAH!!! YEAH!!! Screw being a gracious winner, [F@*K](#) YEAH!!!

Thanx everyone who voted for me and again I apologies for missing the voting. It seems every day the draw off ends is a day when I can???t get to a computer but I???ll try my best from now on, promise.

Now that I???ve won a draw off the pressure to win is off and I can relax in future competitions. As for the D/F #5.??? mmmm give me a minute to think about it.

I WON BABY!!!! I [F@*KIN](#) WON!!!! HAHAAHAHA!!!!

(taking the advice and bragging it up)
