Yeah...as I recall... I was on the verge of winning this one. With my Ivy pic. Then HM went down. It's all a conspiracy! I swear!

When I find out who's responsible for it, they're really gonna get it. I've been saving up poo ever since the crash, and my throwing arm is in great shape. (I had nothing to do since the site went down, other than surfing for pron. Great exercise.
) DM
