the round 3 match ups were

Force95b VS Daruma

SleepEnemy VS Vampirelover.

but since Sleep and VL didn't post an image I will give the round to Force (who posted a little late)  
And Daruma

Welcome to the semi-finals

That means the next round will be

Force vs. DarkWanderer

And Daruma VS. DreamSlayer

The theme for this round is Frankenstiening both background and model. You must combine at least 2 different base images for the model and at least 2 base images for the background. Post your bases in the jar once you have completed your image. Other then that the sky is the limit.

The due date for this round will be April 12th

So that is 2 differnet images could they be the same model different poses or 2 different models all together?
