I wish to expand my list not only to include my earlier choices but also

9.Lady Shiva

10.Ed brubaker's Catwoman

11.Halle Berry's Catwoman

12.African Princess Catwoman

13.JPA and JAA[especially Earth-D Supergirl(as Superwoman),and Earth-17 Wonder Woman

14.original costume Fearsome 5

15.Katma Tui[I now believe this character should be counted in first place among these,as i beleave she deserves her own series]
