To one who follows the trendy dislike for Halle Berry's Catwoman, I say mention another contemporary Afro-American female action hero-if you can.

WHOOAAA Nelly... you actually think that because 98% of Catwoman was done with Poser 4 (All the scenes where she is jumping around) that that makes Halle Berry an Action hero? Holy crap... all she did in that movie was walk around in a crappy costume... OH wait... and she might have fought in a scene or two. Shit... I have been in fights before... does that make me an action hero? Hell she isn't even an afro-american... her mom is the whitest cracker in the box.

Anyway... I would put Queen LaTifah above Halle Berry as an action star... plus she can act and she is funny...

Oh and must you forget Jada Pinkett Smith... she is a great action hero...

Oh and Grace Jones... she was great in Conan!

But Halle... COME ON....
