I wanted to bring this up to the top so I just copy/pasted it. Today is the day to vote boys, so if you could have your votes PM'd to me later this afternoon with your choice for winner, I would appreciate it. If you have the time, let me know why you picked the winner, what set it apart from the rest. I'm sure the winner would like to know that.

Since HM now offers a specific gallery for the Draw/off, it makes no sense to provide thumbs of every entry in the thread here. You can just as easily go to the Draw/off gallery and peruse the entries for #8 and pick your favorite and pm your vote. This is why it is important to label your drawings in the subject field with the appropriate contest # and the title.

Anyway, you can visit the gallery [here](#)
