Want to lose weight? Just go on the NEW Chillyplasma diet!
Instead of spending money on fattening pizza, chips and beer? give it to me!
Yes, some guy from the Internet you've never met will give you another picture that makes you want to touch yourself in ways that will cause you much embarrassment when someone else walks into the room. At least you'll be thinner.

Contact - me via PM or the email in my profile.

Subject matter ? anything will be considered except children and toilet activities.

Medium ? jpeg file that is emailed to you. Photomanip or colour of pencilled/inked work.

Payment ? in \$US via Paypal. Payment before I start work. Half goes to Heromirph!*

Price ? all depends on what you want. Difficult costumes, backgrounds, props, multiple characters, male characters, deadlines, exclusive viewing, being a jerk? all pushes the price up.
Example: \$10 will get you a one character heroine picture, no background, I choose base pic, costume and if I want to share it.

* Heromirph, a new company owned by C. Plasma Industries Ltd.
