[D@mn](#) I think I missed the Draw Off #5, 6, and 7

Last I remembered was #4 being the cartoon characters gone bad and then #5 being the "take a character that doesn't have a future storyline" contest. What ever came of this? Either way, I resubmitted my original entry for that contest just for viewing purposes. I guess that leaves me w/ 6 and 7...

My entry for this one is up now too.
