Yeah...you got me. You bastards

I posted two comments on the pics (hopefully nobody saved them) and was about to post in the orgins thread, when it dawned on me... April 1st !? D'oh!

So I thought...who would be sick and twisted enough to do this? Jr? Nah...too lazy for something this elaborate. Winterhawk? Bingo!

So I PM him and congratulated him. Never would have pictured Brick to be part of this. Now c'mon! DW and I can't have been the only ones to fall or it. Fess up!
