OK...another bomb from the Wolf:

Who, in YOUR opinion, should have been picked to portray Jean Grey in the X-Men movies; if Famke Janssen had not gotten the role...and why you would chose THIS actress.

My choice? Cynthia Rothrock.

Tons of experience doing action movies...good build...knows how to move well...and could also help with the stunt work lay outs.

OK...it's now YOUR turn, people! Who would YOU have picked?

(PS...JrMcD...L O'N is ineligible...you've already got Her as Wonder Trollop...give the young lady a chance to catch Her breath, please? Thank You
