Runner Up

Likely a superhero DVD or 2, or 1 video game of your choice. As I don't know the exact date of the finals, I'm not giving specifics on that. If we get done and Xmen 3 is on DVD, and you want that then there you go. Same goes with the video games, it's all dependant on the timing.

Congrats to the winners, and my apologies to the few that I sent the wrong totals too. I did not clear an entry in the calculator and sent out the wrong totals to a few people. I double checked it all again, and these are the correct totals and scores. Again, my apologies...I should have proofed my numbers and sorry that I have added some possible confusion to everything.

With all of that out of the way...congrats to **Kevin** and **Effy** for taking the top two spots. I think any artist here could have taken first place with the quality of images being put out by everyone. I thank all of you who competed in this contest, and thank I also thank you for taking time out of your schedules to put out some killer work. Congrats to everyone.
