This was a close one, with many good drawings. I decided to go ahead with announcing the winner without the votes from Temporal Dave and Darth Paul. In the future guys make sure to get me your votes on time.

Congratulations goes to Hope Morgan. Yes, you have won this contest Hope, your mix of those two characters was right on. You did a great job on this one and you deserve the win. Super job.

Enjoy your bragging rights for the next 2 weeks, rubbing it in and a bunch of "nah nah I beat you boys" to go around.

As far as contest #10 goes....well I have something special in mind for that one. We will discuss it. So everyone, let's give a round of applause to the Queen of Bold.
