2 down, 2 to go, hey Dream Slayer, maybe they won't post and that will pit us in the Finals LOL

Welcome to the finals, DreamSlayer.

That's right, I'm officially pulling out. Sorry for the anticlimactic ending, but I've got nothing for this round. In fact, I haven't really had *any* good picture ideas since the last round. I guess we all go through dry spells, it's a shame that mine had to come now. It's been a real pleasure taking part in this tournament, and I wish everyone lots of luck in the finals. Me, maybe I'll take some time off, read some tutorials, and wait for some more ideas to come. But DreamSlayer, eventually you and I will have to duel. If I was on my game, I still think I could've taken you
