'Got beaten by a girl', eh? Please...as if THAT is something new. I get beaten by girls all the time. You see a nice ass walk by, you grab a little and WHAMMO!

Lots and lots of congrats on the win! It was a great pic. Well done!

(oh, and by the way...this is HM, not Bold, so you're not a queen around here. Just a 'sidekick' Just felt like rubbing that in, so your head doesn't get too big.

Then again, seeing as I'm also a member at BCS, I better do some bowing and feet kissing any way.)
