Fear of zombies huh?

Unlucky for you that it's Zombie Marvel May Mania Month!

I will agree that there is a lot of rubbish comics out there today, and they are more expensive. So vote with your credit card.

My comic store is pretty annoyed with me because the past few years I have changed my reserved titles every month. I only read comics where I enjoy both the writer and artist.

Just cancelled Red Sonja because every story was the same.

Just picked up Ms Marvel because it appeals to the teeange boy in me. Will also give the new Wonder Woman a try.

If you want a great adventure pick up TPBs of The Losers. It's concluded now (as it was meant to) but it's 'O for Awesome!'
