Oh yes! I remember that thread very well. (but I'm glad somebody else dug it up, so I didn't have to)
I think that was the moment that I truly fell in love with heromorph. I had finally found a place with people as twisted as I.

And that's saying something.

(By the way... I have waited and waited, but I still haven't seen my request for 'alien-farting tentacles harrassing women dressed up as smurfs' answered. I mean, c'mon! Anybody? Just remember...it has to be free. And I mean free.)
