Yeah Eddie was in prison with the guy that became carnage, ne was a nut job before he even became carnage. But he was bugging the hell out of brock and brock treatened to kill him as the guy was screaming a piece of the the venom symbiote went down the guys thought and started merging with him from the inside out. he was so pyscotic that he bonded with and became carnage. where venom always speaks in that weird " WE will kill spider man. We wil have OUR revenge on parker" Carnage was so messed up that he could refer to himself in first person.

Carnage begot Toxin some where there was Hybrid - He is the amalgamation of four of the Life Foundation Symbiotes (Riot, Phage, Lasher, and Agony) - whose hosts were killed by Scream (Carnages sister)
