Hey everyone. What do you all think the next monthly challenge or contest should be.

Does anyone have any ideas.

here are a few idea's

- 1)a Who's your daddy? (otherwise known as: second generation or offspring)
- 2)Gender Change
- 3)a Original Character of your design (could be based on your user name)
- 4)Amalgam Character
- 5)a Redesign of a characters costume
- 6)Bad casting (i mentioned this in a different thread, no one accepted, so i think it was thrown out)
- 7)Show of power- we each do a manip with the character using her/his power to do something.

Any one else have any ideas. Does anyone like any of my ideas. What do you guys think would be fun.
