OK pretty good turn out so far. I am hoping to get a bunch more!

And for now I am going to say that we can only have one character per user but depending on the final number of members that join I might change that.

Also against my better judgement, I am actually cringing as I type this, Yes matrix, you can use Winterhawk.....
Man that is going to suck.

any way so far we have
Winterhawk as Vampirella
Biohaz_Daddy as The Crimsom Noodle
Matrixblur as Winterhawk
Thayne_Luc as Firebird
Dark_Wanderer as the AzBat Batman
blubeetle3 as Blue Beetle
