Big ups to the artists who all made some Booty Blastingly Good drawing for the "Done Right by You - Draw Off"

Take a look at the drawings and choose all the images you think best captured the spirit of this Draw Off.

Rules Reminder:

Imagine what it would look like if you had the idea first? This isn't a revamp or redesign of a character. It's what you would come up with if you had the idea for say Spiderman or Batman or whoever first.

Maybe you see Spidey as horror, or the Xmen as something on the order of "used to be human". Whatever it is make it completely unique.

Bonus Criteria: Display emotion appropriate to the character you create.
