K-Fed? It is amazing that WW didn't gobble up your account and spit you out. I have been talking to her for a few days now trying to calm her down... but her hormones and all the weight she has gained from eating comments has her on the crazy side. I even asked her if she would like to get a gym membership with me... and that didn't work. She is on a tear. I am thinking the random sacrifice that was made yesterday will suffice and she will calm down.
