DD: Anybody know where I can find some good gifs?

VL: That's a little too racy for my tastes...

Thayne: I don't have anything to wear to this funeral

JR: I'm sick of Xbox. Who's up for a nice game of Scrabble?
I'll make some tea...

JR pt2: What's so funny about a mentally challenged girl
bouncing around like she's having a seizure?

Winterhawk: Try the plastic wrap filter...

Winterhawk pt2: I'm busy, bitch!! Watch a movie by yourself for once...

Chilly: Well, I've never heard of that character, but I'll be happy to do a manip of him for you. No, no charge, I'll do it for the experience.

Buffy: I'm just gonna stay out of this...

Matrixblur: C'mon guys, that's not nice...change his avatar back...

Wasmith: My next manip is going to be "Men of the Justice League"

Sonic1002: Nobody wants to see another Joker pic.

Daruma: I've spent enough time out in the sun today. Maybe I'll go inside and play online...but only for a couple of minutes!
