Oh, man, I laughed so hard at this one, I can't see...

Hmm..

Winterhawk: You put _way_ too many wrinkles in this Manip.

Jr.: I was bored last night, so I just threw this one together.

BioHaz: No, I haven't been here in days.

MatrixBlur: This isn't too disgusting, is it?

Brick: Here, let me explain it to you so you understand...

Thayne: I made Buffy up.

BA: I think you guys are way too involved in this Group, why don't you back off and just let me do my own thing...

Chilly: I really appreciate all the comments, guys! Keep 'em comin'!

Billy: Screw you guys, I don't care what you think, my art rocks!

Android: Do you guys think I post too much?

Bill Turner: I was bored last night, so I just threw this one together.

DW: Full Metal Alchemist really bites.

Daruma: Isn't Asian philosophy stupid?

Miss Vee: Roswell Porn is disgusting...

Divine Monkey: I don't get that obscure reference at all...

BadDog 69: I just made the greatest Manip ever! And I can post it in the Heromorph Gallery!

Akim: Sex is dirty.
