Basically it's Iron-Man, Spider-man, Reed Richards on the registration side and Captain America, Falcon, Wolverine, and I'm not sure, but I think Sue Storm. I don't think she's completely decided yet. Cap's side hasn't really been shown much yet. Johnny got beaten into a coma by an angry mob.

And now Spidey. He's following Tony Stark like a puppy and doing anything he says. Tony says "Tell the world who you are." Spidey says, "I'll ask my wife...ok I'll do it. I don't want to break the law."
