It's 23 June, 2006...and, Blessed Mother Lillith...is this bloody da*n thread still around?

SIGH OK, where's the cockroach spray at...it's past time to get this bug off the map...or need I call in 'J' and 'K' to come and take care of it? (catch the reference?)

Seriously...we need to get another topic going here...like one that won't drain the radiator off my sister's car...empty out the icebox...or take JrMcDeath and BikerBot out to a sleazy, \$25.00/hour motel. A thread that will make sense. A thread that we will NOT turn into some kind of anthromorphic creation, with some kind of power. A thread to be proud of.

Any thoughts?

Oh, yes...Maureen McCormick ("Marcia Brady") for WW

Speaking of my older sister...last year, as you might remember, She had to have a masectomy...breast cancer. I announced it here at Heromorph, and begged everyone to get their loved ones checked out; this was nothing to mess around with.

Well, 2 weeks ago, Betty had another check-up...and the good news is that there are no signs that 'Mr C' has returned. But, we gotta wait 5 years with no return to be sure.

So, once again, think about your loved ones...think what it might be like if you lose them to this...not a nice thought, is it?
