Simple ones (for your average "simple" radio audience):

- 1) Everyone knows what green Kryptonite does. What does white Kryptonite do?
- 2) Why did the Kents name their newly-found son "Clark"?
- 3) Who were the three members of the Legion of Superheroes that first appeared to Superboy?
- 4) How do you trick Mr. Mxyzptlk into returning to the 5th Dimension?
- 5) What does the red letter on Superman's chest stand for?
