Gosh, those are easy:

What is the name of Superman's secret lair?

**The Playboy Mansion**

Other than Green Kryptonite, name 3 other types.

**Spearmint Kryptonite, Pistachio Kryptonite, and Mauve Kryptonite.**

True or False, was there ever a Super-monkey?

**True, he was often on Superman's Super back.**

What is the name of the miniturized city that Superman protects?

**Wedowee, Alabama**

How many times has Superman actually died?

**3, counting the last 2 Christopher Reeves movies.**

What "strange" villian wears Superman's uniform, but with the "S-emblem" backward?

**John Byrne**

What long-time love did Superman finally marry?

**The old nag**

What is the name of Superman's dog?

**Doesn't matter, he seldom comes when you call.**

Who is Clark Kent's boss at the Daily Planet?

**The other old nag**

Where does Superman get his super-strength from?

**Same place he gets his super B.O. from?**
