1st off...Nun of us are nut-jobs. We are all just lost sheep; looking for a place to shelter from the night, the storm, and those who would shear us for their own measly profits...with the exception of the lamb stashed in Jr's trenchcoat. I've written him off as a victim of raw, seething, animal lust...not the lamb...JRMcd!

We all need to get a grip on ourselves (uhhh...that's NOT what I ment, BB!) and strive for a better day...a day free from slavery...a day filled with love, hope, and promise ("Love ya, Hope: I promise")...the day when the lowly warriors of Heromorph (TM) stand forth, and take over the Internet! :attack:

OK...go ahead...try to take away my naked japanese girls with GIANT boobs and cans of whipped cream...I double dare you!!! Ya ain't got the guts!!!

First the World Wide Web...THEN, THE WORLD!!!!
