Why the green? Those are awesome!

the purple one roll off your tongue, like a taste of heaven; sending chills and thrills up and down your spine; like sex with the Goddess of Love.

On the other hands...the green ones give me the runs.

Wolf, you are one weird basterd.

And whats up with the signature?

I want a dna test. then a psyhc test.... Quote:

yeah...mommy BB said you would deny this...whats the matter, you don't love your little boy anymore? No more horsey wides? no more toaster in the bathtub fun?

(bastard is spelled with 2 'a's...no 'e's)
