Quote:

Jelly bean racist

I don't hate them as a race. I hate each and every one individually

Quote:

the purple one roll off your tongue, like a taste of heaven; sending chills and thrills up and down your spine; like sex with the Goddess of Love. On the other hands...the green ones give me the runs.

You put entirely WAY too much thought into that line of crap

Quote:

But an opinion from an asshole is an entirely different matter.....

Why are you debating, anyway you look at it, they all smell like sh!t

Quote:

you forgot baby oil and a tape of Barry Manilow's greatest hits.

After that..... Do you really need a psych test?
