Just saw the Superman movie. If Bryan Singer is such a fan of Superman why did he make this pile of @#\$%? Superman comes off as a stalker, Lois Lane is a whiner, Lex is ok, but has the same old scheme, and what can I say about the kid.

The comics didn't have Lois and Superman get married until they were married on the T.V. show Lois and Clark. Are they planning on Lois and Superman having a kid in the comics now? Is that why they put it in the movie?

I don't expect everything to be exact in comic book movies. I know they have to make some changes and I accept that, but this movie had too many changes and some bad casting. I give this movie
