Yeah,well I guess My only problem is...It's Topher Grace???

Could he really be a convincing Eddie Brock,wasn't he alittle bigger physically than Peter Parker?

Finally! Someone agrees with me! My wife says I'm way too critical about what Hollywood does to comic book movies.... Once I found out Topher was playing Brock I said to my wife, " F\*\*\*ing Eric Foreman is gonna be Brock, no F\*\*\*in' way.... Brock was a bodybuilder, he was huge." "get over it." she says, ".. But, IT'S F\*\*\*ING ERIC F\*\*\*ING FOREMAN!"

I am also not pleased that the "black" costume is just a much darker version of the movie spidey costume, what happened to the smooth black and white symbiote???
