That's brilliant (for me).

I've just finished moving to a new flat and haven't had time to do anything this month.

I also haven't had time because in a fit of frustration I resigned from my job. I had put off quitting for a long time as it might have meant starving for a living.

However within a week I was offered a new job with 40% more pay. Who knew?

Anyway, I hope to get a Wonder Woman pic done before the extended deadline. Especially as I am not happy how she has been appearing in other pics...
