Wow! ***This*** is a ***thread!***

I'm very happy to have started it. Not only has it generated lively discussion and debate (even though it seems to have pitted the powerful Mods against lowly hoi polloi), it has re-opened the possibility of seeing MissVee's a\$\$!

...I mean, it ***has*** re-opened that possibility, right? ***RIGHT?!?***

(Oh, man! "Re-opened MissVee's ass!" That's a keeper!)
