Simple challenge:

Winner determined by a poll.

Due date Oct 17/2006.

Prize: standard=avatar, rank, and goldmembership.

Challenge: Take any moment in comicbook universes history and rewrite it into a story.

Post the stories into the fan fiction section.

for example:

What if Hal Jordan didn't find the alien spacecraft orignally but Kyle found it as a small child?

What if Superman's escape pod landed in the Marvel universe instead of DC's?

What if the alien symboite for venom attached to Daredevil instead of Spderman?
