Our latest Draw Off offers you a choice...

Draw a Super Pet from the comics(Krypto, BatDog...)

or

Draw a leather clad hero ala VagabondX (he had trouble coming up with an idea, so I chose this... didn't want you all to think he's that full of himself... of course he might be, but this was still not his doing
)

You have until 8/26/06 Midnight

Everybody start your pencils...
