Am I missing anyone? Remember, you have until Sunday night to sign up.

Is this going to be random again? Or can we influence a little? Because Shade the Mystic does drawings (I think. right?), and I Manip/Frankenstein, so I don't know that will work. Also, I don't have tons of time to devote to this, so working with Bill Turner will be hard on him, due to his work style.

(Bill is great, but intense.) Dan or Kevinical are more my style. If there isn't any influencing, please disregard this post.
