doesn't Natasha Henstridge dye her hair to be a blonde?

Considering almost ever image of her shows her dark roots you would think at least one of you would look up long enough to notice.

It happens all the time, hot brunette girl dyes her hair to be another hot blonde. anyway. Hair doesn't change color mid stream, if the roots are dark and the hair is blonde, it means it is dyed.

-And did YOU notice that she has *brown* hair...not coal *black* hair like WW? I say she still needs to dye it. Ha!
