Since last month was a gender change manip.
And alot of us did some bad casting manips anyway.

I think, we should all do a Original Character Manip for this month. Design a character yourself and do a manip of them. make sure in the picture description you talk about your characters powers and origin.

Due date end of the month or when ever you are finished.

Any takers or are all you guys chicken???

Bwahahahaha

cluck cluck

"ahem" Bwahahaha
