hey,

I got a few:

Dagger

Chocolate and Tira Misu (from SOCERER HUNTERS)

The Sailor Senshi

any of the Alpha Flight gals

Liz Swann

Thundra

those are a few I can think of (for quarter of one in the morning, that's pretty damn good) as for HUNTERS and Senshi, they are anime characters for those who don't know. yes, Liz is from PIRATES, but I thought I'd throw her in for the hell of it. another one I like to throw in is Princess/Jun from Gatchaman and Nova from Star Blazers/Yamato. maybe the ladies from SERENITY besides River.
