Here's a bit taken from a TV Guide interview with Charisma Carpenter. Sounds interesting, but she could just be self-promoting...

Quote:

TVGuide.com: Did you go after any series-regular gigs for this fall?

Carpenter: Of course. I go out every pilot season.

TVGuide.com: You're just too much woman for the small screen to handle?

Carpenter: Is that what it is? Ooh, I really like that line. It really works for me! But I do have an interesting audition coming up soon, so I'm hopeful.

TVGuide.com: Is it for TV? A movie?

Carpenter: Movie, movie, movie... I'm excited.

TVGuide.com: Is it with Joss Whedon, and you're holding a golden lasso?

Carpenter: We're working on that. I'm working on it, I'm working on it....
