Personally, I enjoy the creative atmosphere of Heromorph. I wish I could draw, but alas, I cannot make a straight line with a ruler. I should probably submit a fan fiction or two, but with my job and my semi professional writings, I usually don't have the strength to type more than one or two words (check out my posts if you don't believe me).

I'm a big fan of comicbooks and the creations of their characters. Our modern day mythology, as it were.
