Um...None of you guys are really "Lurkers"..Well Bailey is pretty close. but quite frankly a lurker is like this guy. <http://heromorph.com/heromorph2/userinfo.php?uid=17> He signed up to the site before I even did and is still a member, he has never made a comment or posted anything in the 3+ years he has been here.

That is a lurker. Alex, you post art, that makes you a non-lurker. Hardcase, you comment and post stories that again makes you a non-lurker.

But truthfully I think Bio is trying to trick the poor lurker into posting something thus making them contribute, making them a non-lurker.... He is a clever boy that Bio.
