and this is why lurkers stay lurkers

bunch of silly beotchies

And Batboy don't mind Chilly.. he is like that with everyone. He doesn't mean any harm, he just does know how to say "Hello", "no thank you", "Welcome to Heromorph", "Nice to hear from a fan", or "This is a gay bar....I should leave". The above phrases are strange and difficult for him to say, so he comes off as rude. But once you get use to him, he is a very funny guy.

I hate cats, So I guess it is my duty to masterbate more often so Mini-Ninja's can kill the furry bastages.
