Blur... the guy that goes and plays pool with retired WW2 vets and still can't win... not even in the drinking games is calling us Geeks? Hmmmmm... Better a geek than a Granny Effer.

Oh wait... that means that you are at least getting some... hey, can I join you next time?

Eeeeeeeewwww.....

your leaps of logic boggle the mind

Justifiy it alllll you want, you're still a geek

Far as I can tell, myspace is mostly for people who's imaginary friends have stopped playing with them.
