[Thought the first few pages of this recaption were pretty damn funny.](#)

Some of the best observations of this series so far (paraphrased)

1. How can SHIELD arrest someone for violating a law that's not a law yet? (Referring to SHIELD agents trying to arrest Cap.)
2. Hank Pym refers to the cloned Thor as being something that "they" can control. (So sayeth the creator of Ultron.)

and Hawk - The second Spiderwoman tried that... Didn't work too well. Also the Thing appears to be the Alec Baldwin of the 616 MU. Claimed he was going to Europe... but strangely... didn't.
