Well, a 6-4 (Damn you're big) Oompa *is unrealistic...* but if I simply gave you wings... viola... Warren Worthington III...(Angel for any of you that didn't catch that joke) And yeah... that is realistic.

The Oompa and the Werewolf take Manhattan. It will be a great musical. We could get Robert Downey to play the part of the Oompa... I mean, I can totally see him wearing a tutu and drinking wine coolers.
